

Dear President of TAA/NJ:

Below is our May Newsletter of T. A. Archives. Please help us forward to your members like you have been doing for us every month.

Thank you.

Regards,

Dear Taiwanese American Friends:

We would like to let you know that there is a 15 minutes video about the immigration history of first generation T. A. in our May Newsletter. We prepared it primarily for our young generations to know one important portion of T. A. history, so we narrate it in English. We hope that you would encourage your children and grandchildren to view it.

Thank you for your attention.

Regards,
