

Dear Jim:

How are you?

T. A. Archives has been collecting the information and artifacts of Summer Conference by T. A. organizations. We posted the information on T. A. Archives' website and displayed the artifacts in T. A. Archives Center in Irvine/CA now.

However there are still lots of information and artifacts, which have not been collected by us yet. We would like to gear up our efforts collecting as much as we can now for posting on the website and prepare a book.

We need the help from T. A. community, especially from the people like you running West Coast Conference/2019.

Please e-mail the information and send the artifacts related with your 2019 conference to us.

Our e-mail address is : taarchivescenter@gmail.com

Our ship to address is: T. A. Archives, 22 Corporate Park, Irvine, CA 92606
For your reference, we would like to collect following information and artifacts for each conference:

1. Announcements
2. Website, Facebook & Advertisements
3. Registration Forms
4. Program Book & Flyers
5. Articles and Reports about the Conference after the conference
6. Photos, DVDs , Videos
7. Certificates, Plaques, Souvenirs & Gifts
8. Miscellaneous, like your working dairy, communications with others, etc..

Thank you for your attention and look forward to having your support to this collection project for T. A. History.

Regards,

Bob Cheng
