- **A Unique Group Among Taiwanese American Ethnic Group:**

A unique Taiwanese American group, including people with three backgrounds: Japan, Taiwan, and America, is a research subject by a Japanese professor. The professor is a Taiwanese Japanese, teaching the Taiwan Study at a university in Japan. She visited T. A. Archives Center and interviewed people with this unique backgrounds. This project is sponsored by the Japan Government. It seems that only T. A. has this kind of people. Their life experience is very unique and valuable and we should preciously preserve it. Therefore, T. A. Archives is interested in stepping up our collection efforts for the information of this group. Please contact us if you know someones for our collection.

- **Other Unique Groups of Taiwanese American Ethnic Group:**

We are interested in collecting more information for the following unique groups:

1. In the Blacklist of Taiwan Government
2. Relatives of Taiwan 228 Incident
3. Return to Mother Country (Taiwan) for Second Career

- **Summer Conferences/2019 by Taiwanese American Organizations:**

5 summer conferences/2019 have been successfully completed in July. We contacted all 5 conferences for collecting and recording the following information on our website and in 3 books of summer conferences:

1. Invitation Letters
2. Promotion Letters
3. Registration Forms
4. Programs
5. Hand Book & 6. Articles/Reports about the conferences

We are also collecting the same information for each conference from their very first year. We need your help providing us with those information, especially for those earlier conferences.

- **“Outreach” Projects by T. A. Organizations and Individuals:**

During the past seven decades, T. A. has been working hard to outreach the mainstream society in the U. S., such as participating in international cultural festivals, parades,

providing scholarship awards and miscellaneous community services. We do not want to be an outsider to our local community. We are preparing a book of “Outreach” now. Hope you can provide us with information about all your outreach projects.

- **Publications by T. A. Individuals and Organizations:**

We have organized all our collected non-professional publications in five categories and posted on our website:

1. Books
2. Magazines
3. Newsletters (paper form)
- 4 E-Newsletters &
5. Newspapers

Please donate your non-professional publications to us, if we have not collected yours yet. You can check the tables of our collected ones posted on our website.

- **T. A. Organizations:**

We have compiled close to 1,000 organizations in our 70-year history as shown in the link below (322 pages now):
