

# Shoes For Life 2019

**CANAAN Taiwanese Christian Church** has partnered with volunteers from Step30xSF to collect gently used shoes for the children of Kenya and Uganda. 95% of children who live by the border of Kenya and Uganda do not own shoes. They are infected by fleas and parasites as a result. Giving them shoes is an effective way of combating infections. Our bay area volunteers are collecting 30,000 shoes to send to the children in early 2020.
