Dear Charter Member:

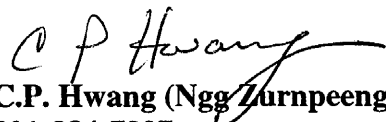

Thank you very much for supporting the Smithsonian Taiwan Heritage Fund.

In addition to Coordinator Dr. Wen-yen Chen's August 2, 2004 report, there have been some further progresses that I'd liked to share with you.

1. Two Smithsonian photographers spent three days shooting the deities at Mr. Neal Donnelly's residence. The photos have now been digitally prepared and are ready to be printed.
2. Mrs. Mary Su of the National Taiwan Museum in Taipei visited the National Museum of Natural History in August to explore a possible future exchange program between the two museums. Mrs. Su has also offered to help with the Taiwan Vitrine project at the NMNH when the museum renovation work is completed.

At the first meeting of the Advisory Committee, Smithsonian Taiwan Heritage Fund, called by Dr. Chen on September 4, 2004, new officers were elected and the Bylaws approved. Copies of these two documents are enclosed for your review. If you have any questions or comments about the Bylaws, please let us know within ten days.

Sincerely,

C.P. Hwang (Ngg Zurnpeeng)
