- **Information and Artifacts of TAC/West Coast Summer Conferences:**

We have been collecting information and artifacts of your conferences and posted on our website, such as invitation letters, registration forms, program books, articles after the conferences, photos and souvenirs, etc. We are preparing a book as shown in the “Encyclopedia” section of our website. Let’s work together to collect a complete history of your 40 years conferences from the first one in 1980.

- **Book Series of T. A. History:**

We are parpaing following books related to T. A. History. We hope to present to main stream society in a big scale in order to help T. A. history to be a significant portion in the U. S. History:

1. Taiwaese Americans
2. Our Journeys
3. My Stories
4. Organizations
5. Publications of Books, Magazines, Newsletters
6. Outstanding Taiwanese Americans
7. Summer Conferences and Camps
8. Music Concerts and Musicians

We will have more subjects adding to the above list later. Please let us know if you have other subjects to be considered in the above list.

- **Videos of T. A. History:**

We have collected 143 videos and posted on the ”Videos” section of our website. If you have videos related to our history, please contact us.

- **Paintings of T. A. History:**

We have collected 30 paintings, all painted by T. A. artists and posted on the “Our Footsteps” section of our website. These are displaying in T. A. Archives Center. We hope to have more T. A. aritists to help us vividly illustrate our history with their talents.

- **Welcome Your Visit to T. A. Archives Center in Irvine/CA**

Have a Successful Summer Conference!
