We thank all of you who have made our progress possible

Thanksgiving signifies the beginning of American year-end holiday season to be followed by Christmas and New Year. Amid the devastating spread of COVID-19, wishing these holiday celebrations bring you joy and fulfillment!

Thankful to the unwavering support by many members in the Taiwanese American communities, T.A. Archives has been successfully operated for seven years. It will strive to continue the efforts in carrying out the mission envisioned by the founder Dr. Bob Cheng to make it as a major central source of Taiwanese American history. Taiwanese people are a relatively small minority ethnic group among the new immigrants to America. However, they have greatly contributed and enriched the American multiple society, economy, and culture with new fabric over the past short seven decades. It is very important that their individual and group stories be preserved for the future generations to comprehend.

Happy Holidays
